HCCC Awarded Community College Opportunity Grant

Q: Who will be eligible for the Community College Opportunity Grant at Hudson County Community College?

A: The Community College Opportunity Grant (CCOG) program will offer free tuition and fees to students with an adjusted gross income of \$45,000 or less who take six or more credits in the Spring 2019 semester. Students will be eligible to receive funding after applying all other federal and state grant aid, such as federal Pell Grants and New Jersey Tuition Assistance Grants.

Information about the Community College Opportunity Grant program may be obtained by emailing freetuition@hccc.edu or phoning (201) 360-HCCC (4222).

Q: How does a student apply for the Community College Opportunity Grant?

A: For the Spring 2019 Community College Opportunity Grant award, all students (new and returning) must complete and file the FAFSA (Free Application for Federal Student Aid) or New Jersey Alternative Financial Aid Application by February 15, 2019, in order to apply for all other available forms of federal and state needs-based grants and merit scholarships. This includes students satisfying all requirements to determine eligibility to receive payments of these state and federal grants and scholarships within established state deadlines.

The FAFSA can be completed at www.fafsa.gov or for the NJ Alternative Financial Aid Application at <https://www.hesaa.org/Pages/NJAlternativeApplication.aspx>.
